## Monthly Motivation

As we enter the final days of winter, let's eagerly welcome the warmth and vibrancy of March! Our theme for this month is "Vibrance," and it's an invitation for you to infuse every movement with energy, radiate positivity, and dance through the month with vibrant enthusiasm.

March brings the arrival of spring—a season that symbolizes renewal and growth. Picture the transition from winter to spring as a metaphor for your dance journey. Just like nature blossoms with new life, embrace change in your routines, nurture new beginnings, and dance into March with a spirit of rejuvenation.

Let the renewed sense of energy inspire every step at the studio. Set goals that stretch your boundaries and ignite your passion for dance. Above all, have fun as you dance your way into a season of renewed possibilities.

March is here, and it's time to let your vibrance shine!

Greetings NAOD Families,

March has arrived, and with it comes the excitement of preparing for our Spring Concert on June 8th! Get ready to step into a world of "Magic and Mystery," an enchanting journey where the extraordinary becomes reality through the art of dance. While every student may not be participating in the concert, there is no need to worry! Our classes start by focusing on technical elements before delving into choreography. Even if your dancer won't be part of the show, learning choreography is a vital aspect of their dance journey because it allows them to apply the technique they are learning first hand, fostering artistic expression and growth. Practice is key, so we encourage you to engage in at-home sessions with your dancers.

As we step into March, we're infused with renewed energy and a readiness to achieve our goals. Whether it's perfecting technique, embracing choreography, or fostering positivity, we're excited to witness the growth and accomplishments of each dancer. Happy dancing to all!

Warm regards,  
Djana Bell and Erin Rawlings  
The Directors of Norma's Academy of Dance

## ALUMNI SPOTLIGHT

### Alina "Deja" Dunn

In this Twirling Spotlight, we proudly showcase NAOD alumna Alina "Deja" Dunn, currently a senior dance major at Troy University. Deja recently took the stage during her final senior year concert in late February, where our co-directors, parent liaison, and YAA students supported her as she gracefully took her last bow as a college student. From her early years at Norma's Academy of Dance to her extensive training over the summers at Alvin Ailey American Dance Theatre, Dance Theatre of Harlem, and more, Deja has cultivated her passion, culminating in pursuing a BFA at Troy University. We celebrate her achievements and are grateful to have played a part in nurturing her talent during her time with us at NAOD.

Congratulations Deja!
