DIRECTOR'S DESK

Greetings NAOD Families,

April has arrived, and we're kicking it off with spring break—a perfect opportunity to relax and recharge. Enjoy this well-deserved time off, and we'll be eagerly awaiting your return to the studio the following week, ready to dive back into dancing!

April is full of excitement! Save the date for our Spring Fling Block Party on April 27th, where we'll celebrate community and dance in style. Plus, we're thrilled to introduce two new programs: Our Synergy Program and SOAR Program, designed to elevate and inspire our dancers even further. Dancing is not just about the steps; it's about the joy of movement, the thrill of expression, and the sense of community it fosters. We can't wait to see you all back in the studio, ready to embrace the magic of dance!

See you at the studio, Djana Bell and Erin Rawlings

Monthly Motivation

As we step into April, let's embrace the word of the month "Elevate" with open hearts and determined minds. This month is our time to rise, to soar, and to reach for new heights. Let's elevate our spirits, and ignite the fire within us to dance with passion and purpose.

April signifies change and evolution, offering us the chance to grow and transform. Together, let's dance into April with a sense of empowerment and adaptability. We are ready to face whatever transformations come our way, knowing that each step we take brings us closer to our dreams.

So let's lift each other up, support one another, and dance with joy and determination. Let's elevate not only ourselves but also those around us. creating a community filled with inspiration and possibility.

Here's to a month of growth, resilience, and the endless pursuit of our dreams. Let's elevate, let's dance, and let's make April truly extraordinary!

Requirements/Opportunities

- Required to enroll in a minimum of 3 Enrichment technique classes (different requirements for each level)
 One weekly rehearsal
 - Participation in Holiday Concert & Spring Concert
 - Participation in ONE dance competition

The Synergy Program Mission:

To cultivate potential: The Synergy Program aims to identify and nurture the talent within each student, providing them with the support and resources necessary to reach their fullest potential.

To bridge Enrichment and YAA training: We seek to establish a seamless transition between our foundational enrichment program and the intensive Young Artists Academy, offering a stepping stone for students ready to deepen their commitment to dance.

To provide increased investment in training: Our mission is to offer participants an elevated level of training and mentorship, empowering them to push their boundaries and excel in their dance journey.
